

The Ohio Substance Use Disorders Professional Interest Group presents:

We've Got Spirit! A Refresher on the MI Spirit & Cultivating Change

November 19, 2021

9:00 am – 12:00 pm via Zoom

Motivational Interviewing (MI) is a collaborative style of communication in which counselors focus on developing change at any point in the counseling process via specific counseling skills and embodying the MI spirit. The purpose of this training is to expand upon MI basics in cultivating the MI spirit and using MI skills with intentionality while addressing both change talk and sustain talk in clients. Participants will engage in role plays and practice exercises to increase competency in MI specific to their clientele.
